Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant correctly pointed out the confusing in the Advisory Action mailed 10/23/01. A new advisory action will be mailed later. The examiner apologized for the inconvenience.

The applicant argued that the structure that was proposed after the final office action narrowed the scope of the claim which can not be considered as a new issue. However, it is the examiner's opinion that the newly added detail structure of the massaging device raised new issue that would require further consideration and search.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☐ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
